JESUS THE FRIEND OF CHILDREN

MARK 5:40

Are you sick? Keep praying about it. The prayer of faith will make the sick person well. James 5:13-15.

People came to hear Jesus speak. They came from many towns – (Luke 8:4).

When suddenly a very important ruler came running to Jesus. His daughter was very ill. Luke 8:40, Mark 5:22.

The little girl is alive . . . and well.

Quick!
Please come
to my house
and save her.

We will
come

Jesus cared about one little girl.
He left the crowd.

4

Little girl,
get up.

The parents were allowed to stay with
Jesus. Jesus took the girl's hand in his
and he gently helped her to sit up.

13

Jesus told the crowd to go outside (Mark 5:40).

Her parents grieve. Their precious daughter was dead.

But right then a very sick lady touched the robe of Jesus (Mark 5:25-27).

Who touched me?

Lord, I knew I would be healed if I could touch you.

What do you mean, who touched you?

There are people everywhere.

6

She will be alive again soon . . . please be quiet.

What are you talking about?

Are you crazy

11

Thank you, Jesus. No one else could help me. I have been sick for the last twelve years.

Your trust in me has made you well again.

There is no hope.

It is too late.

What will He do?

When Jesus arrived, the people were crying and screaming. The sad music was already making a lot of noise (Mark 5: 38).

Jesus told the father of the twelve-year-old girl to believe and keep trusting him (Mark 5:36).

Do not be afraid.

It is too late.
Your daughter is dead.

O Lord, please
help me.

Jesus and his disciples start out again, with the little girl's father.
