Let the children
come to me

We want to
serve you Lord.

God has a special work for you to do.
He will share His plan with you.
Trust Him
Psalm 139:13-16

Every baby is special to God. You are special too! Jesus Loves you.

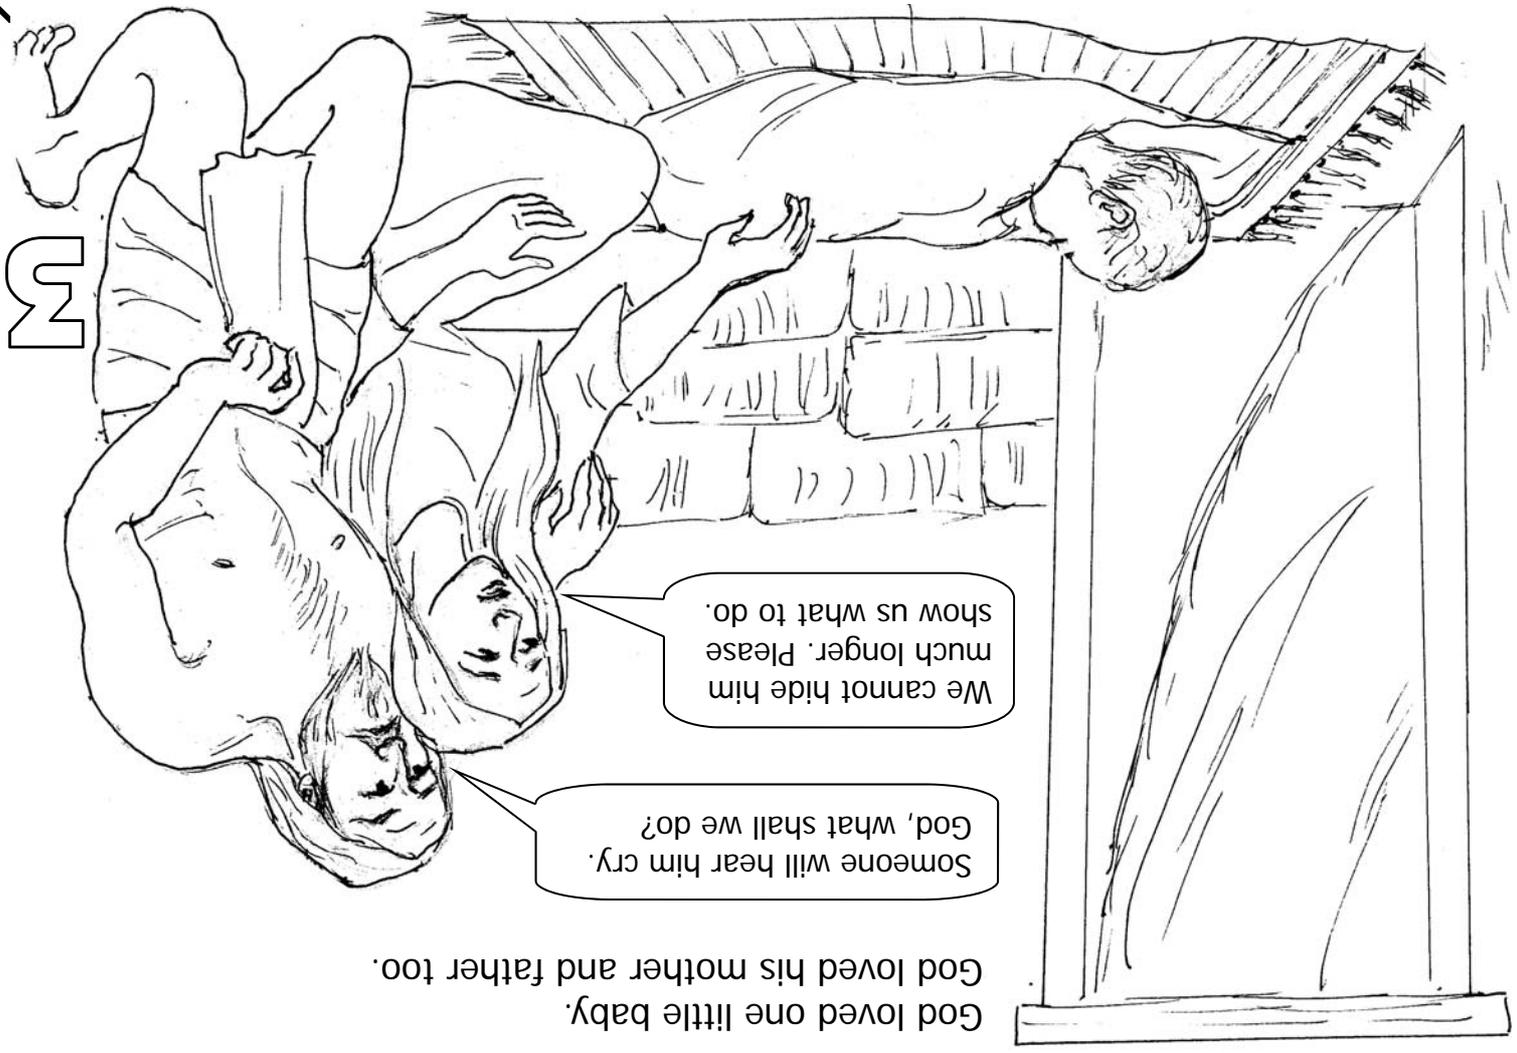

2

The king was afraid of God's children. He thought they were too many and too powerful

1
God used Moses to set His people, the Israelites, free. The King's heart was very hard.

11

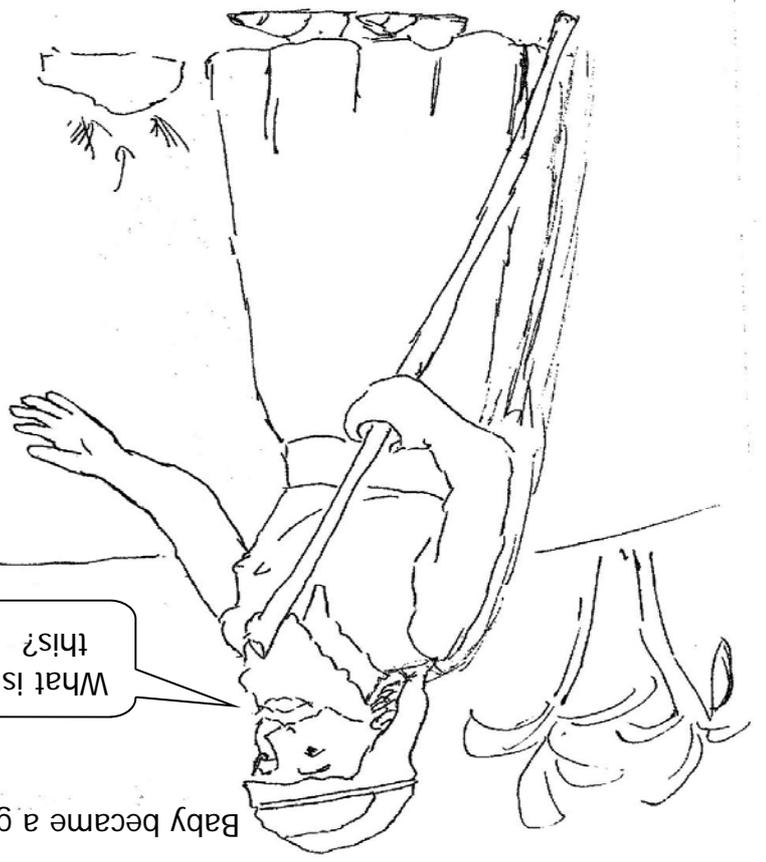

We cannot hide him much longer. Please show us what to do.

Someone will hear him cry. God, what shall we do?

God loved one little baby. God loved his mother and father too.

10

God spoke from the burning bush: "Moses I am sending you to speak to the king"

What is this?

Baby became a great leader.

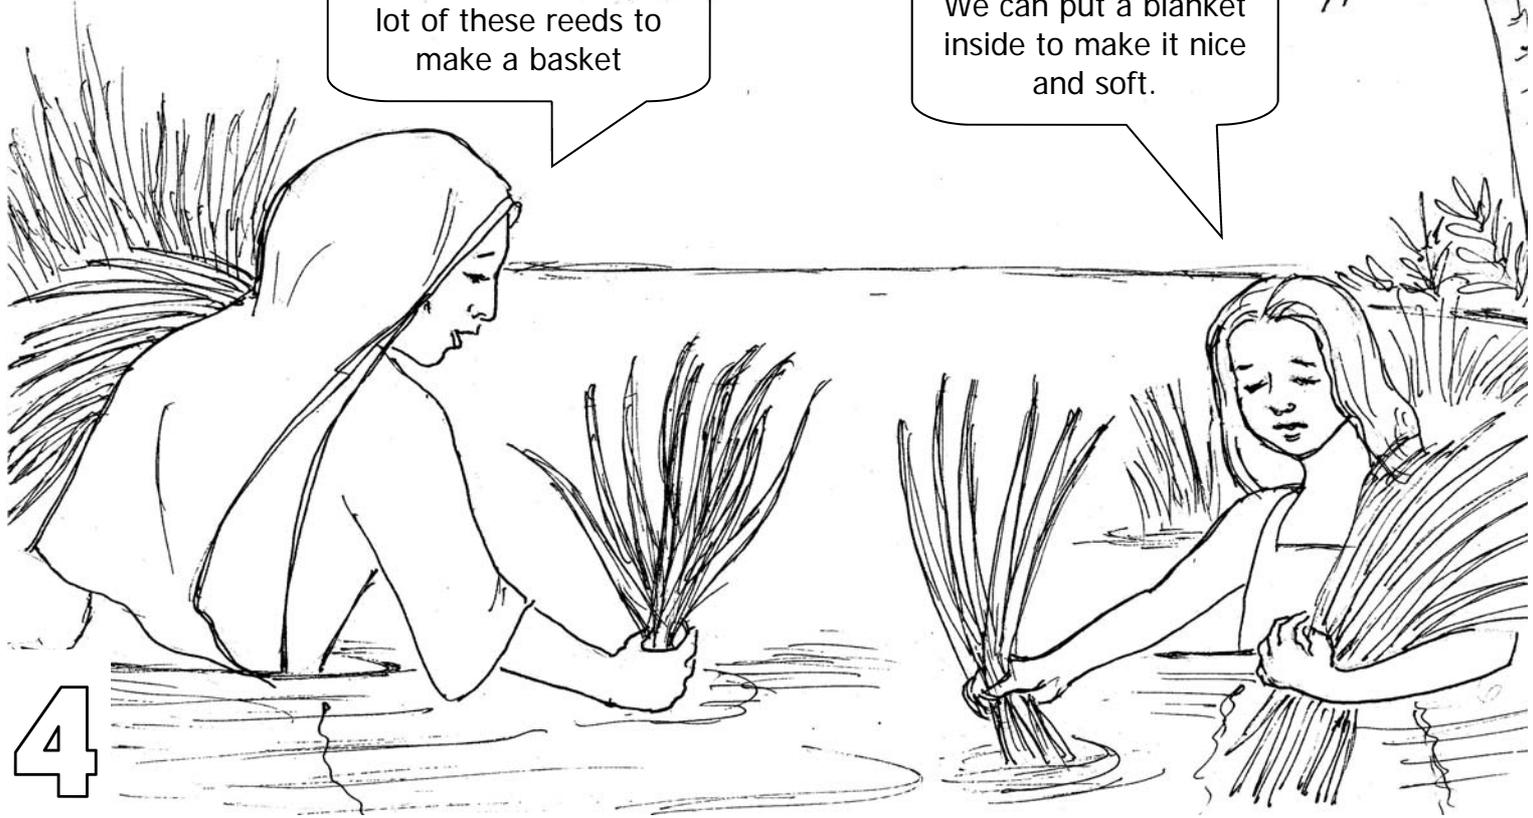

The bush did not burn up! Moses stopped to look.

God showed Moses' mother how she may save her son. God cares about babies.

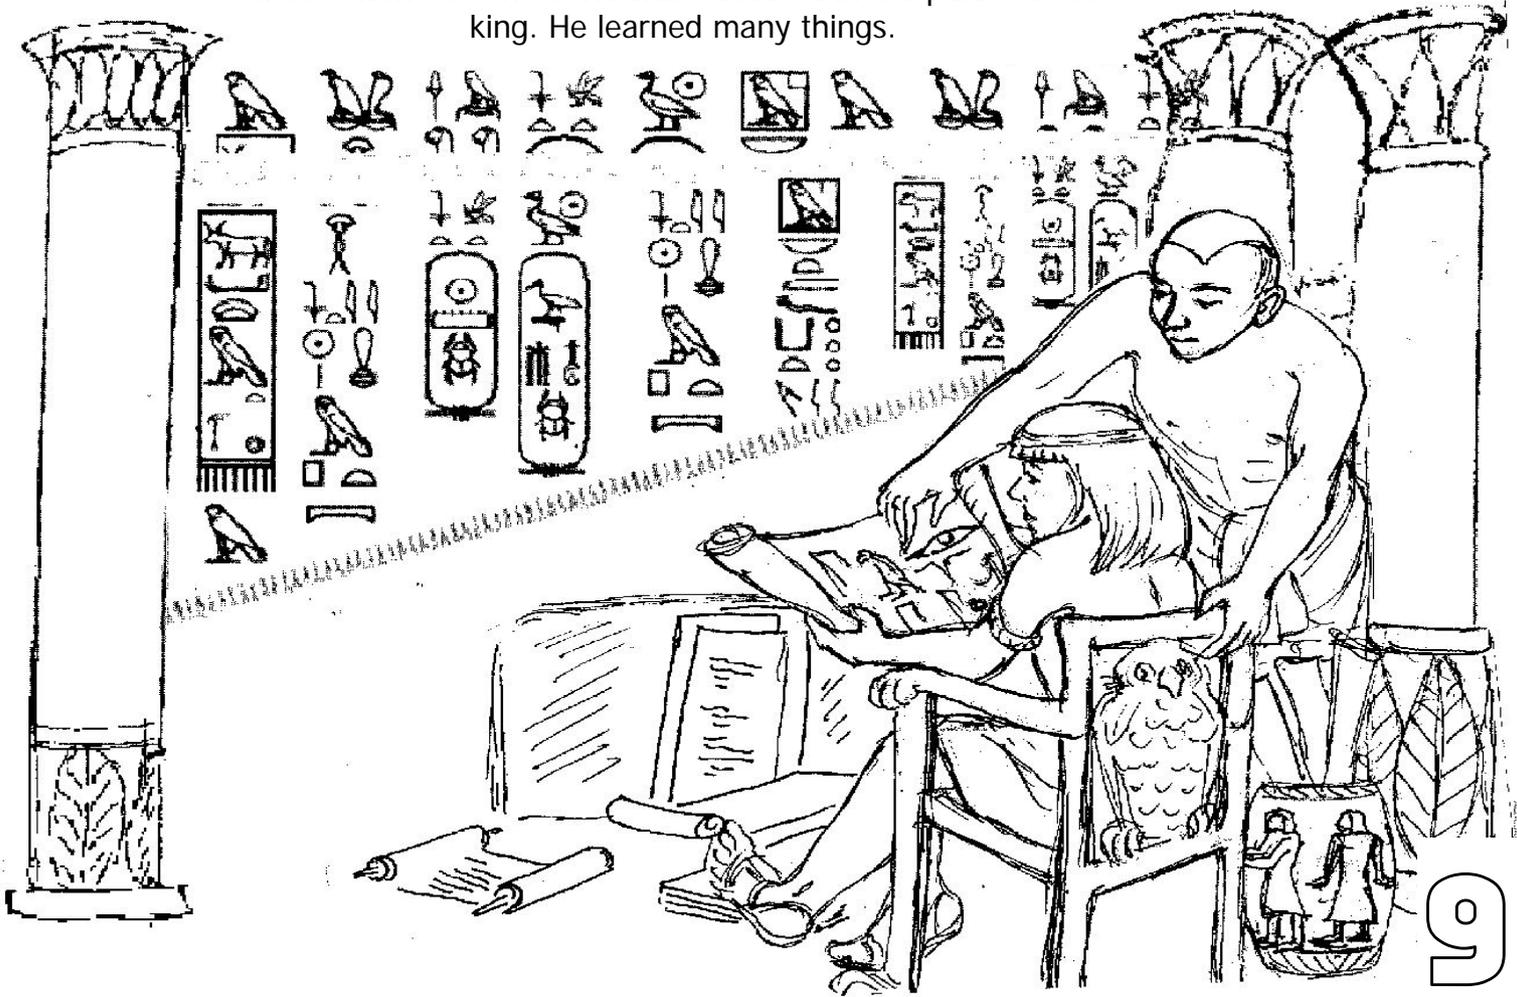

Miriam, we will need a lot of these reeds to make a basket

We can put a blanket inside to make it nice and soft.

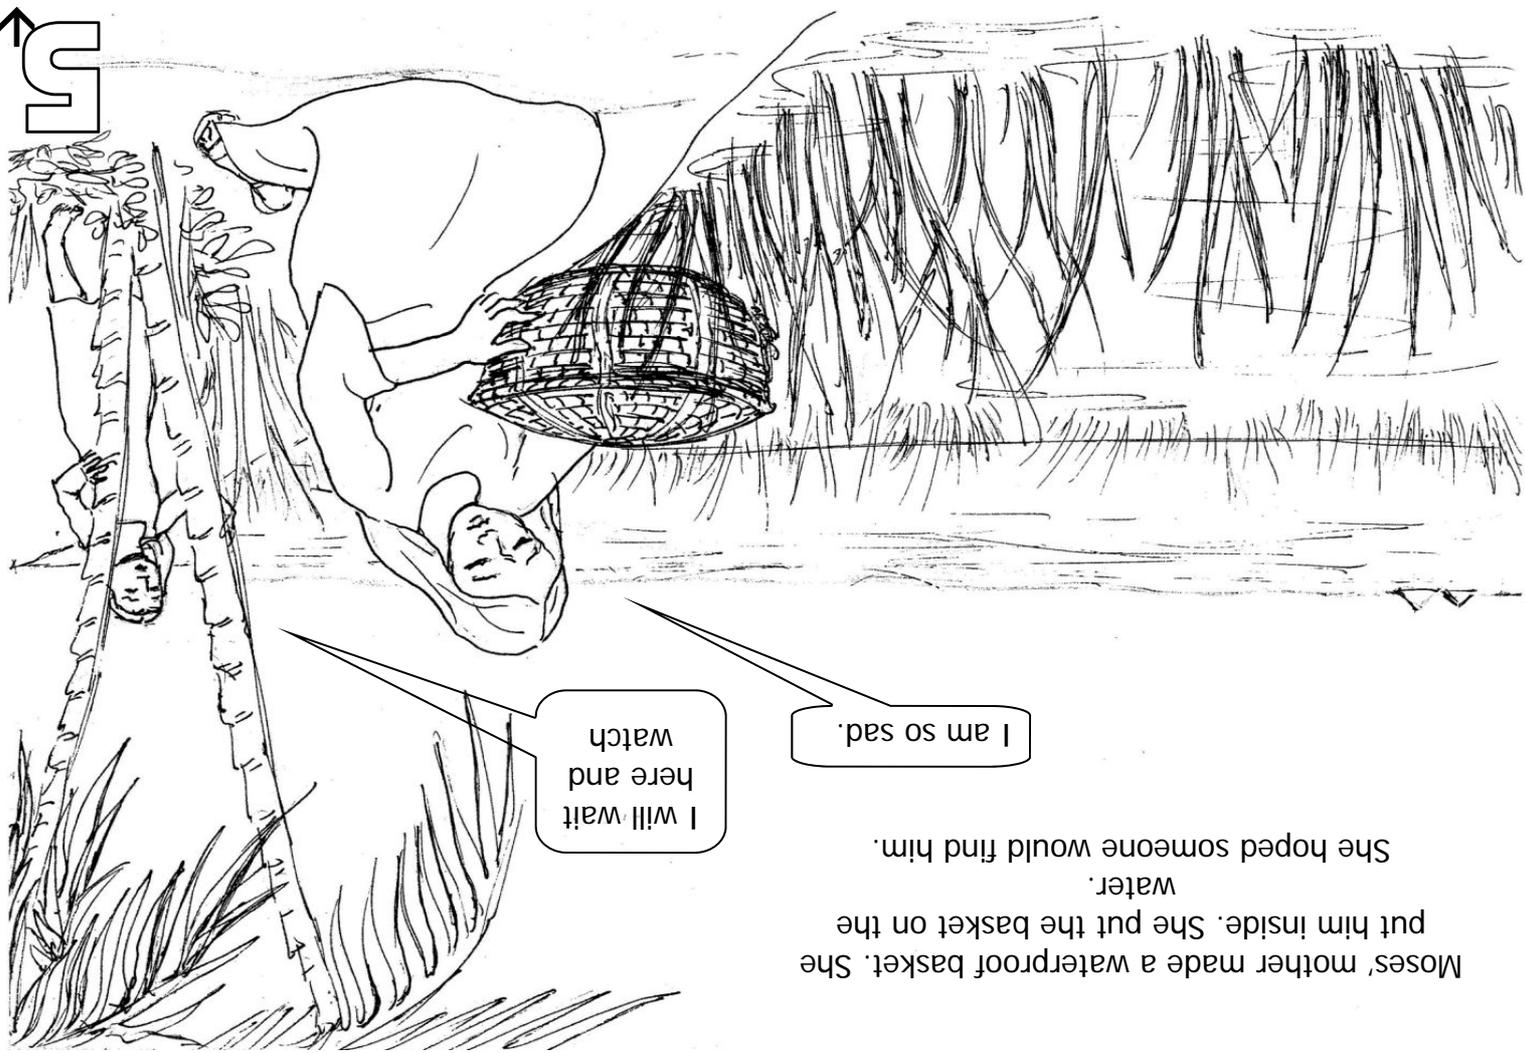

4

Moses went to school. He was educated in the palace of the king. He learned many things.

9

I will wait here and watch

I am so sad.

Moses' mother made a waterproof basket. She put him inside. She put the basket on the water. She hoped someone would find him.

Take good care of him.

It is time for him to go to school. He must come to live with me.

Moses grew up. His parents had taught him to love God.

Some found the basket. It was the king's daughter.
The princess heard Moses crying. She decided she
would adopt him.

He is a Jewish baby,
bring him to me

Thank you,
God.

6

Miriam, his big sister, had been watching.
Miriam ran to ask the Princess if she needed a
nurse to look after the baby.

Mother, Mother come quickly.
The Princess is waiting for you.
She wants a nurse
