Let Jesus take your
hand. He cared for one
little girl. He cares
about you.

Any who believes in
Jesus has eternal life.
John 6:47.

People came to hear Jesus speak. They came from many towns – (Luke 8: 4).

The little girl is alive . . . and well.

Give her
something
to eat.

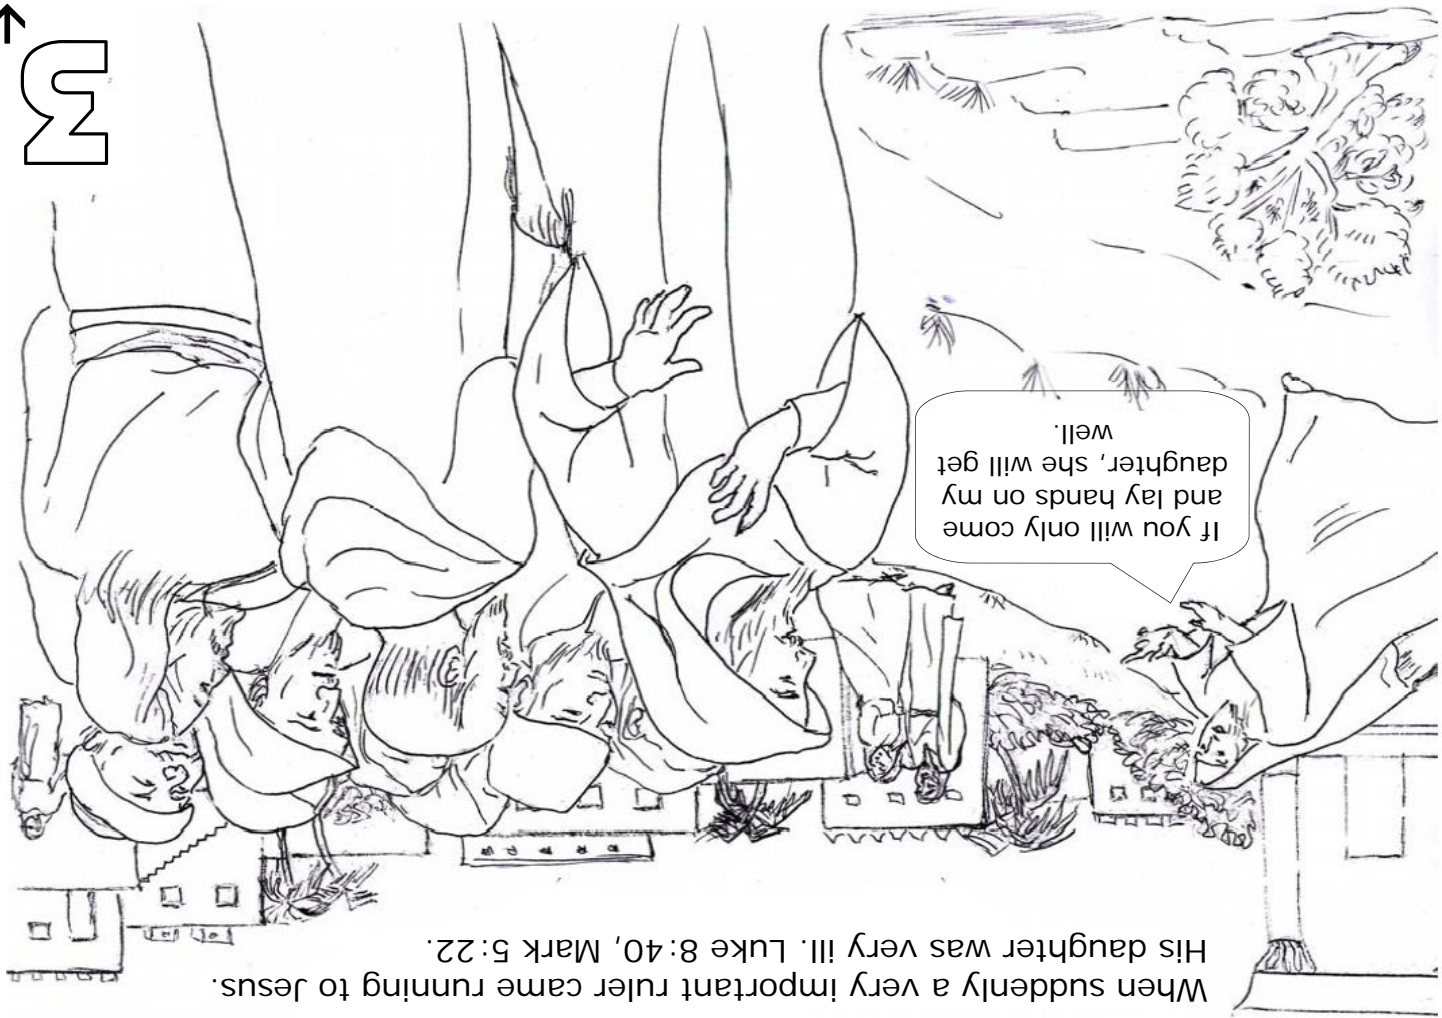

Mommai!

It is a
miracle!

When suddenly a very important ruler came running to Jesus.
His daughter was very ill. Luke 8:40, Mark 5:22.

If you will only come
and lay hands on my
daughter, she will get
well.

Quick! Please come to my house and save her.

We will come

Jesus cared about one little girl.
He left the crowd.

4

Little girl, get up.

The parents were allowed to stay with Jesus. Jesus took the girl's hand in his and he gently helped her to sit up.

13

Jesus told the crowd to go outside (Mark 5:40).

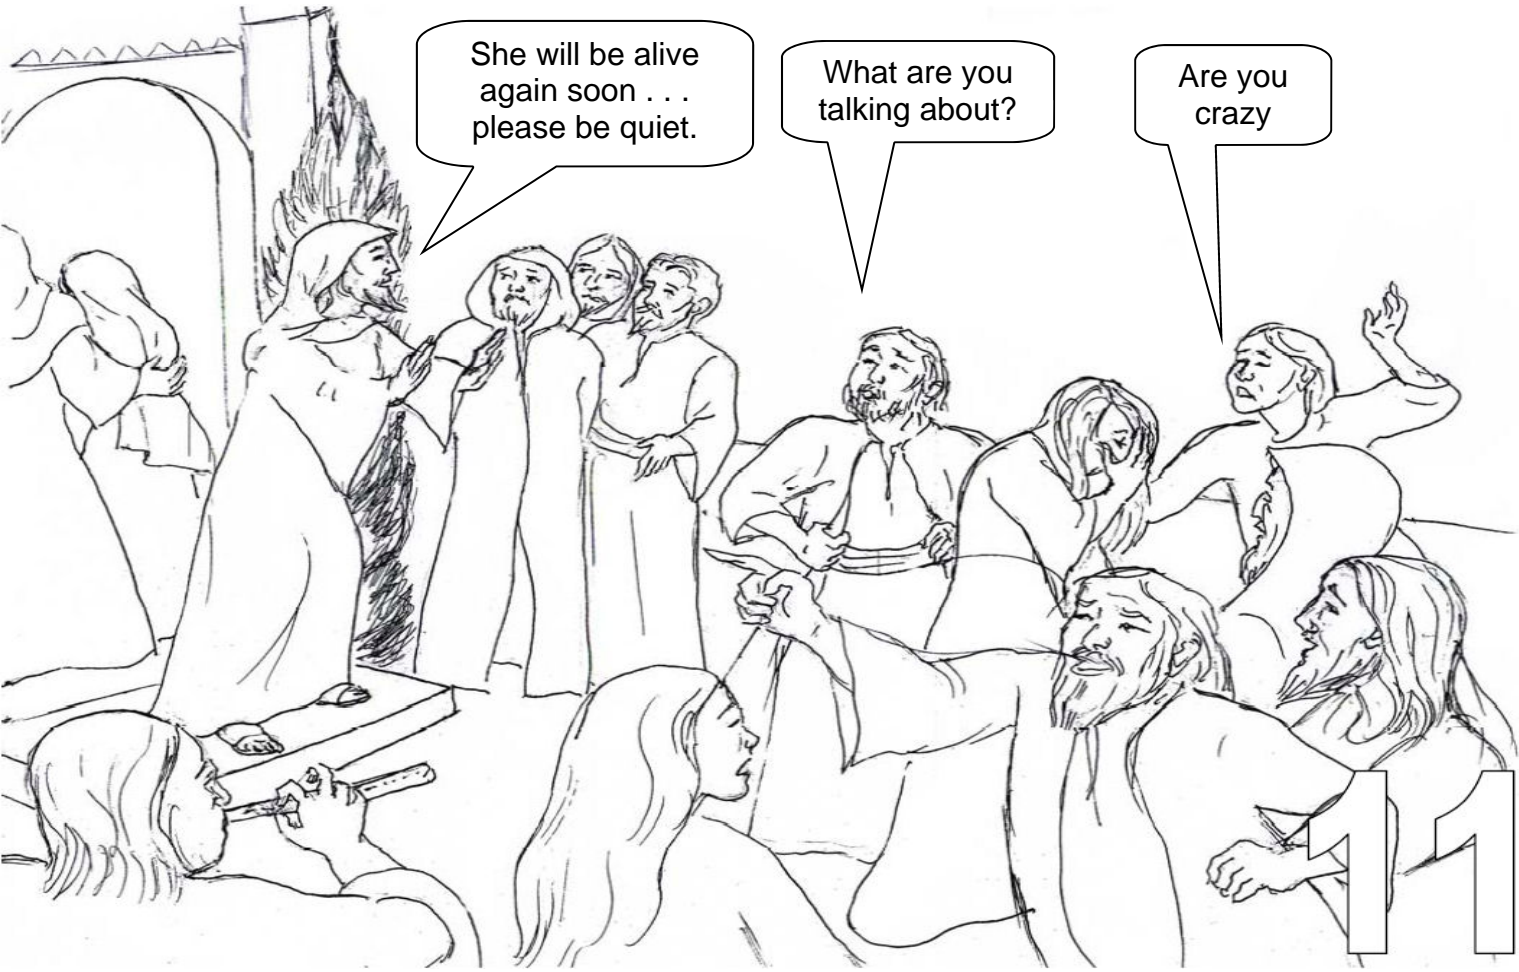

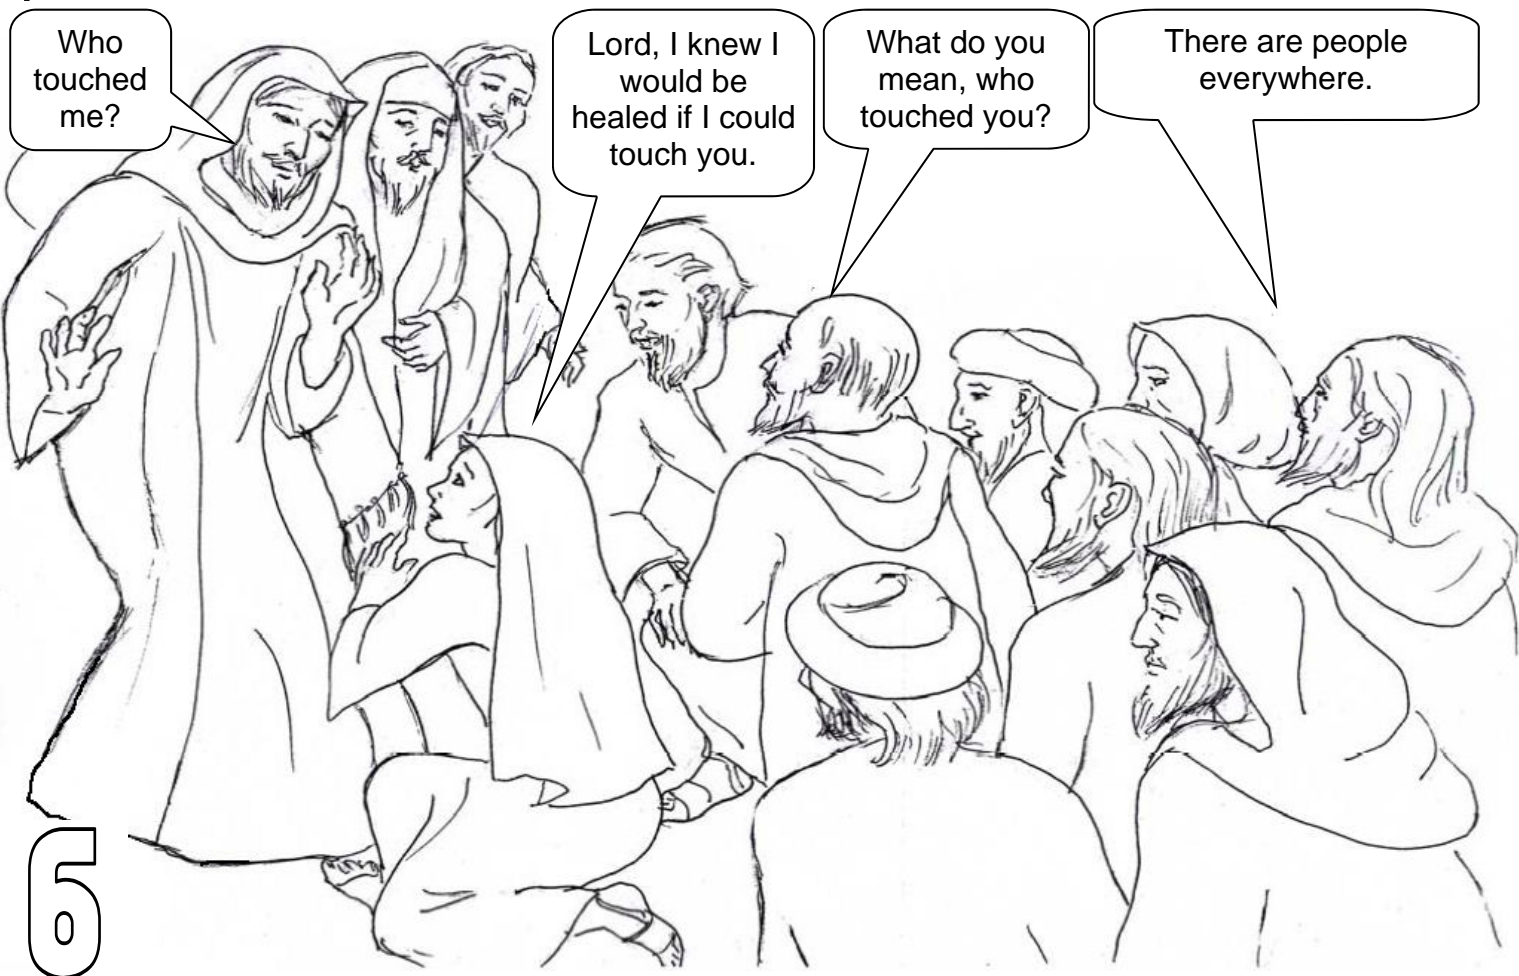

Her parents grieve. Their precious daughter was dead.

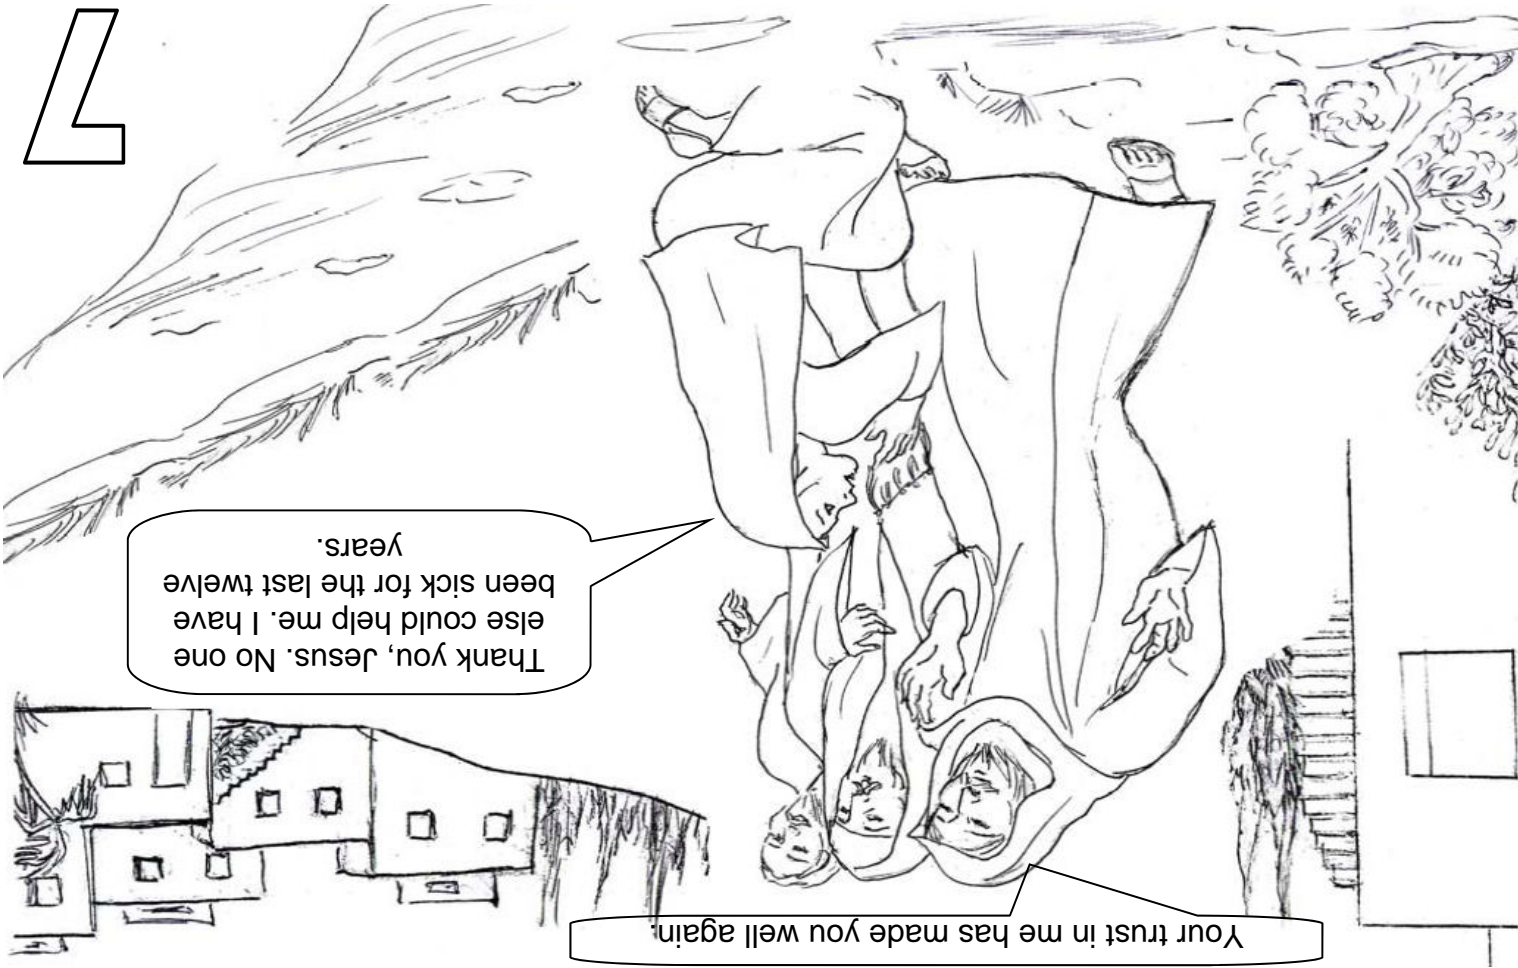

12

But right then a very sick lady touched the robe of Jesus (Mark 5:25-27).

5

Jesus told the father of the twelve-year-old girl to believe and keep trusting him (Mark 5:36).

It is too late. Your daughter is dead.

O Lord, please help me.

Do not be afraid.

Jesus and his disciples start out again, with the little girl's father.
