Let the children  
come to me

We want to  
serve you Lord.

Every baby is special to God. You are special too! Jesus Loves you.

God has a special work for you to do.  
He will share His plan with you.  
Trust Him  
Psalm 139:13-16

2

The king was afraid of God's children. He thought they were too many and too powerful

God used Moses to set His people, the Israelites, free. The King's heart was very hard.

11

God spoke from the burning bush:  
"Moses I am sending you to  
speak to the King"

Baby became a great leader.

The bush did not  
burn up!  
Moses stopped to  
look.

What is  
this?

God loved one little baby.  
God loved his mother and father too.

Someone will hear him cry.  
God, what shall we do?

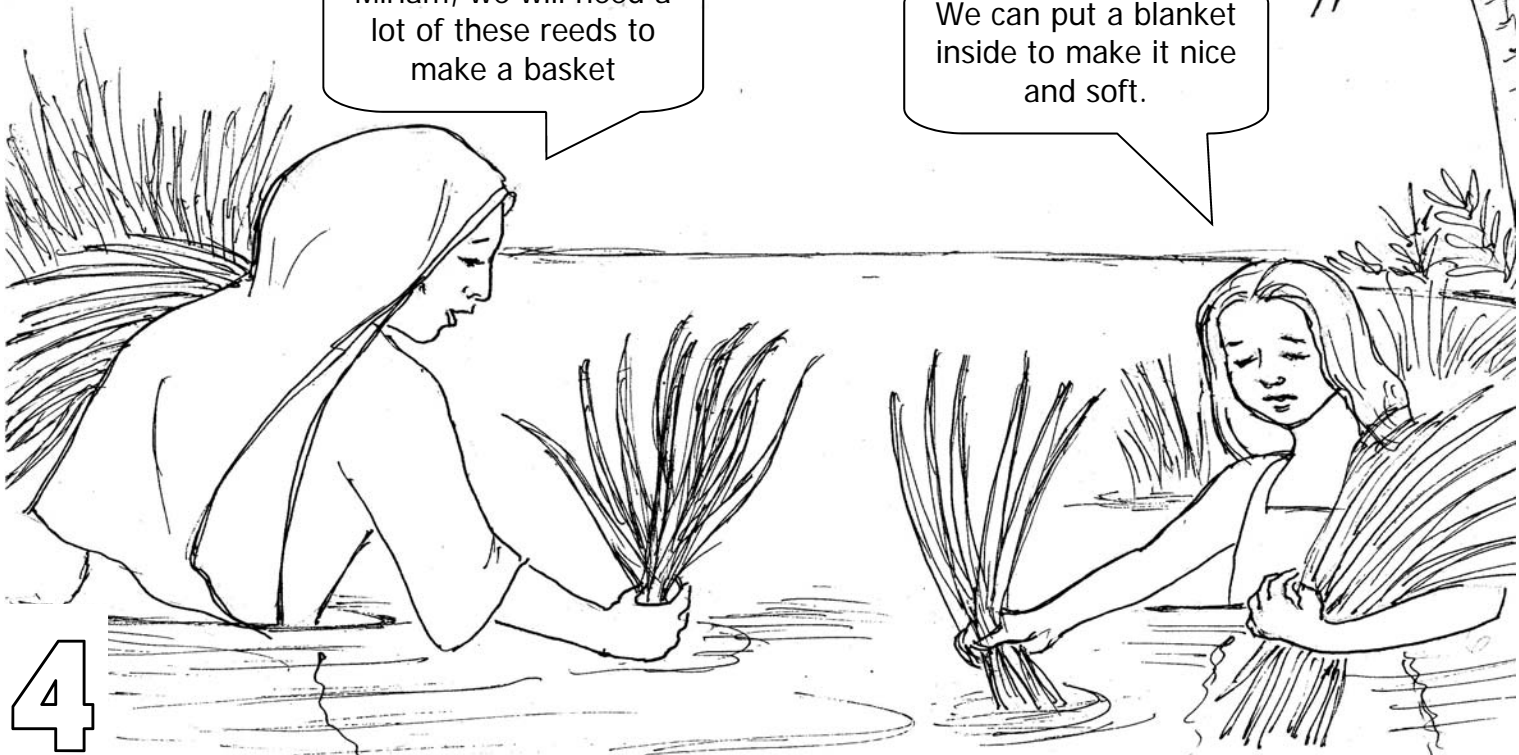

We cannot hide him  
much longer. Please  
show us what to do.

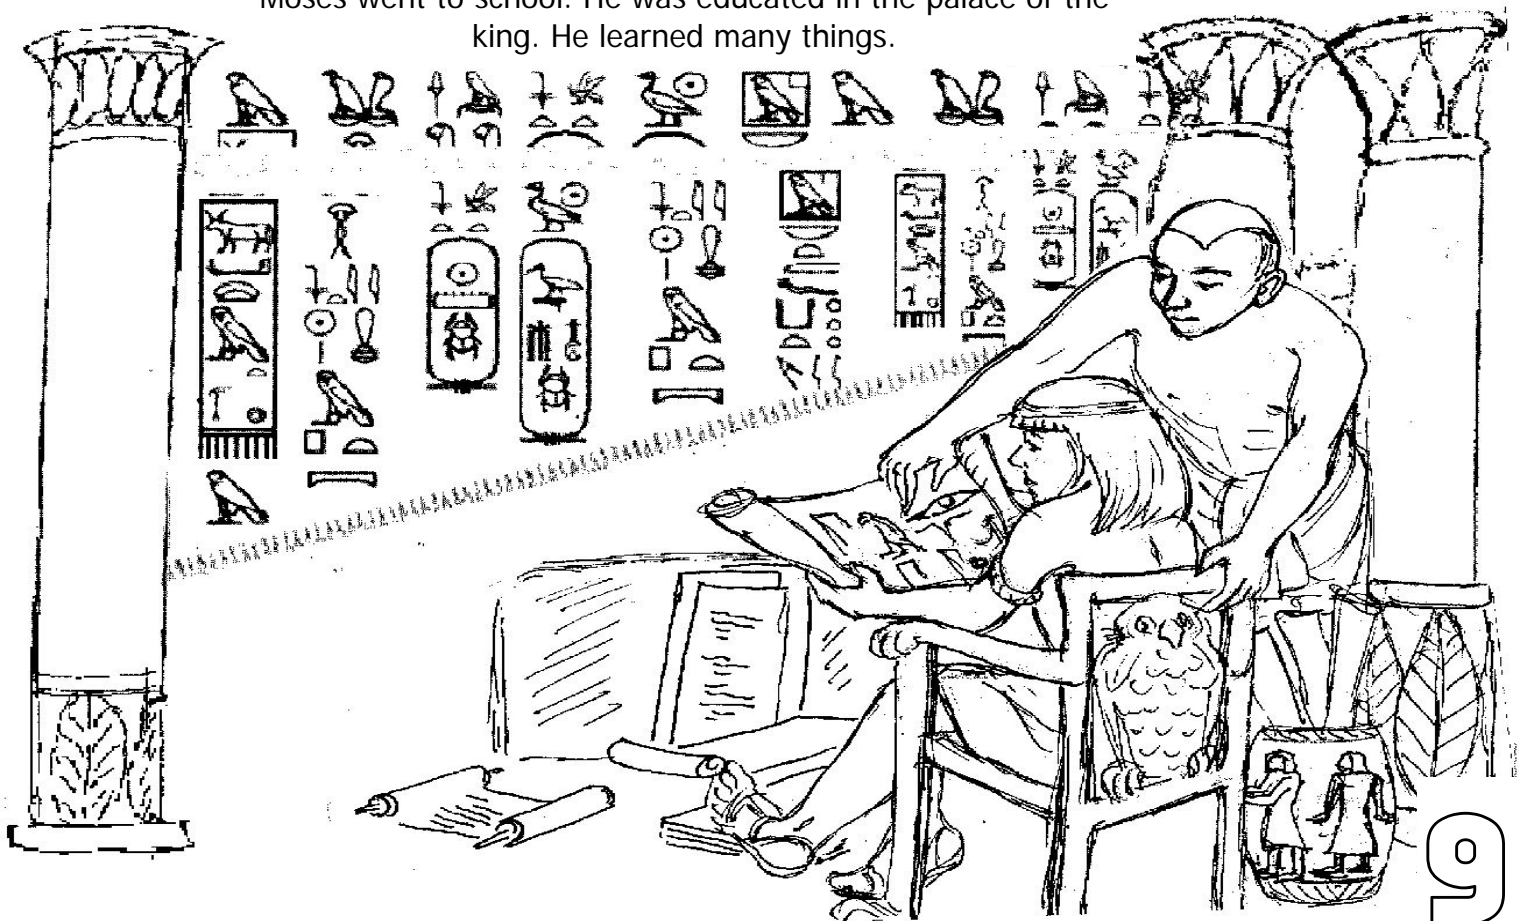

God showed Moses' mother how she may save her son. God cares about babies.

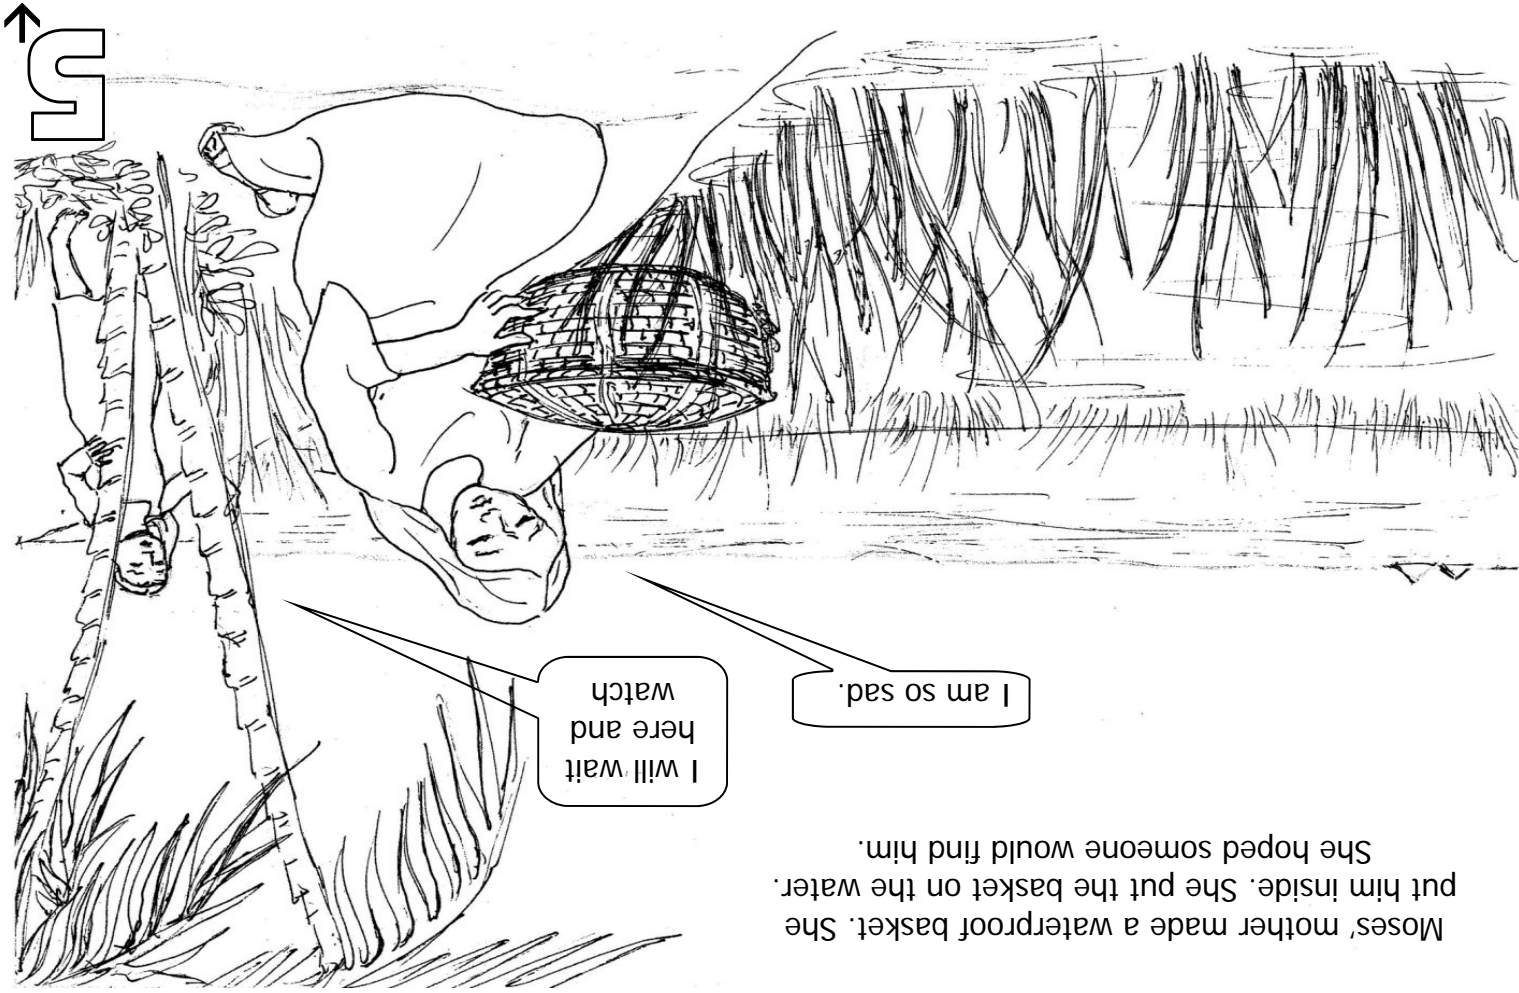

Miriam, we will need a lot of these reeds to make a basket

We can put a blanket inside to make it nice and soft.

Moses went to school. He was educated in the palace of the king. He learned many things.

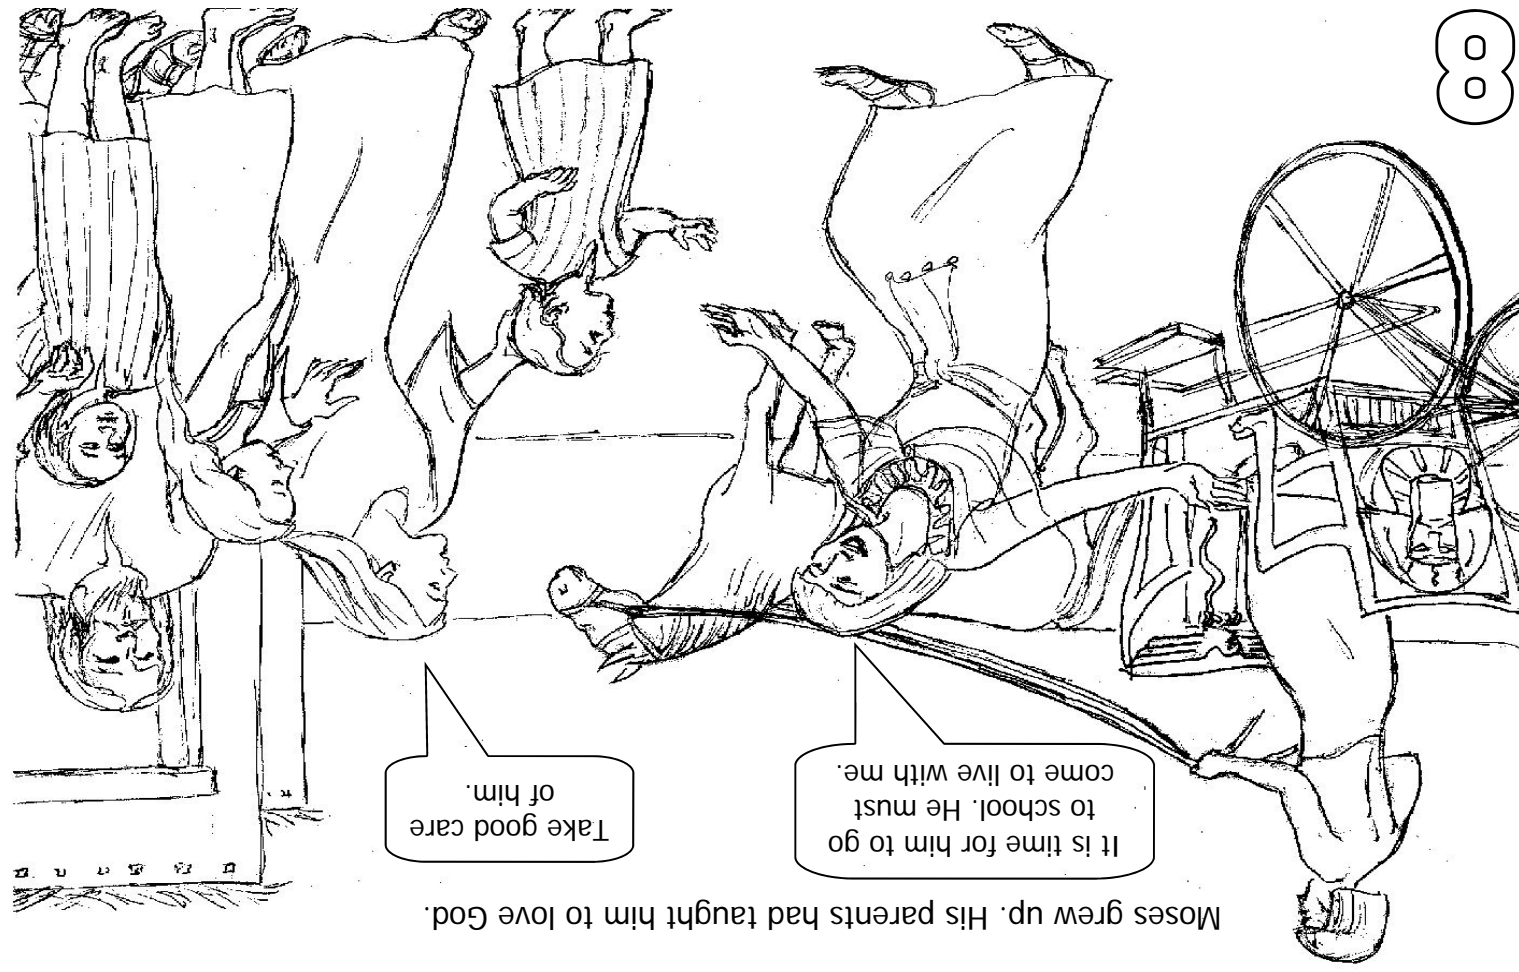

Moses' mother made a waterproof basket. She put him inside. She put the basket on the water. She hoped someone would find him.

I will wait here and watch

I am so sad.

Moses grew up. His parents had taught him to love God.

It is time for him to go to school. He must come to live with me.

Take good care of him.

Some found the basket. It was the king's daughter.  
The princess heard Moses crying. She decided she  
would adopt him.

He is a Jewish baby,  
bring him to me

Thank you,  
God.

Miriam, his big sister, had been watching.  
Miriam ran to ask the Princess if she needed a  
nurse to look after the baby.

Mother, Mother come quickly.  
The Princess is waiting for you.  
She wants a nurse
