

THE CAPTIVE MAID

Will you be like the little captive girl and
tell others about Jesus and his love?
Jesus cares for them too!

You will learn to
serve the King.

Lord
please
be with
me.

I don't
want to be
a slave in
Syria.

Naaman was a great military hero in Syria. But he was a leper.

The King has given us this young girl to be your servant.

Oh, Naaman. She is lovely.

2

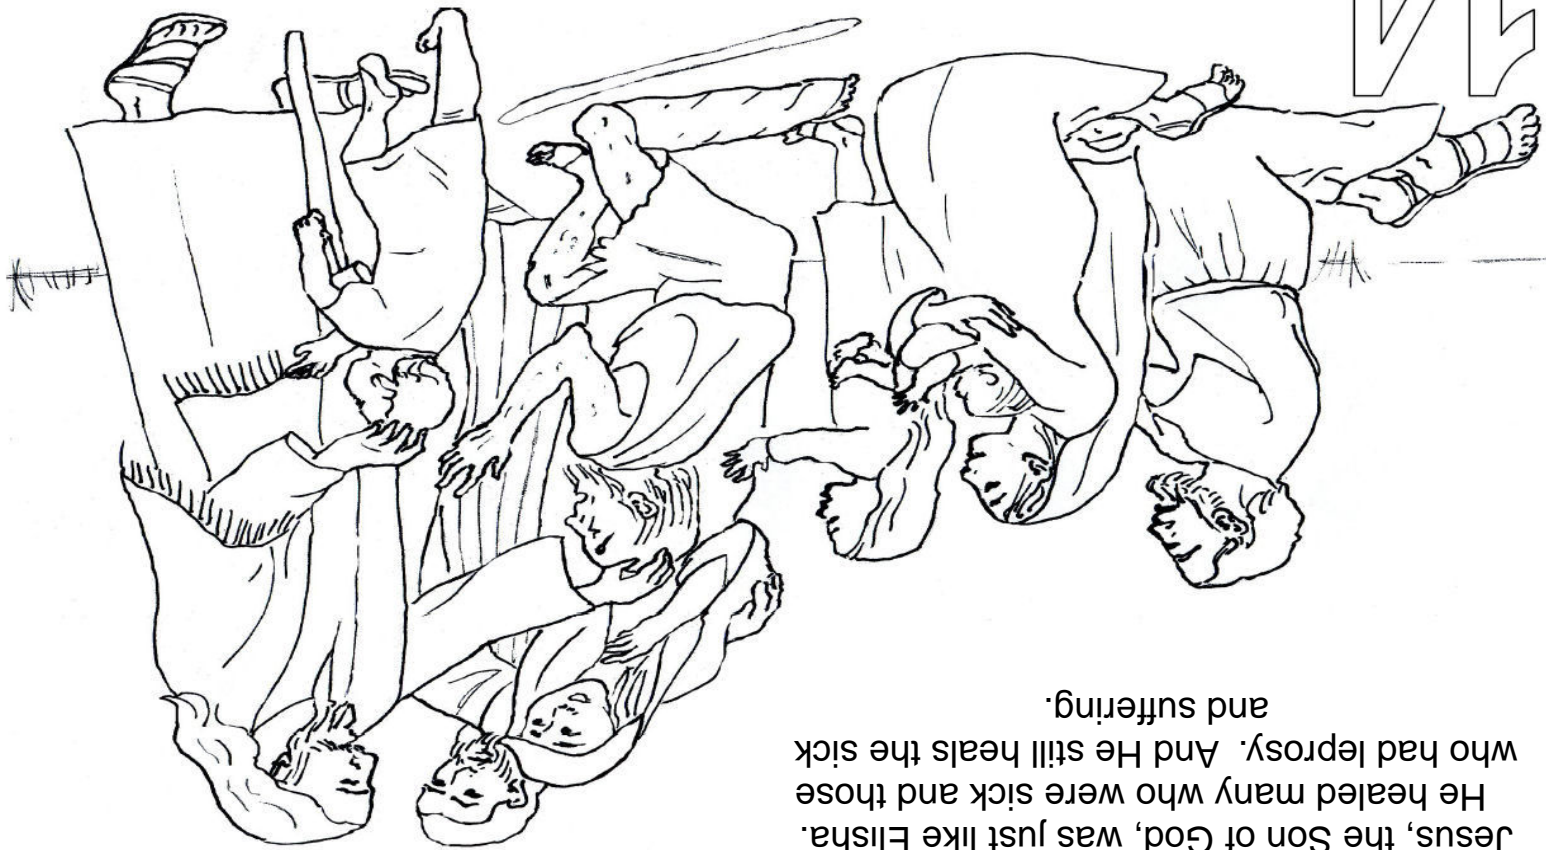

Naaman came home praising God. The little captive maid was right. There was a man of God in Israel.

The God of Israel is the only God. I want to worship him.

How wonderful. You are healed.

15

Jesus, the Son of God, was just like Elisha. He healed many who were sick and those who had leprosy. And He still heals the sick and suffering.

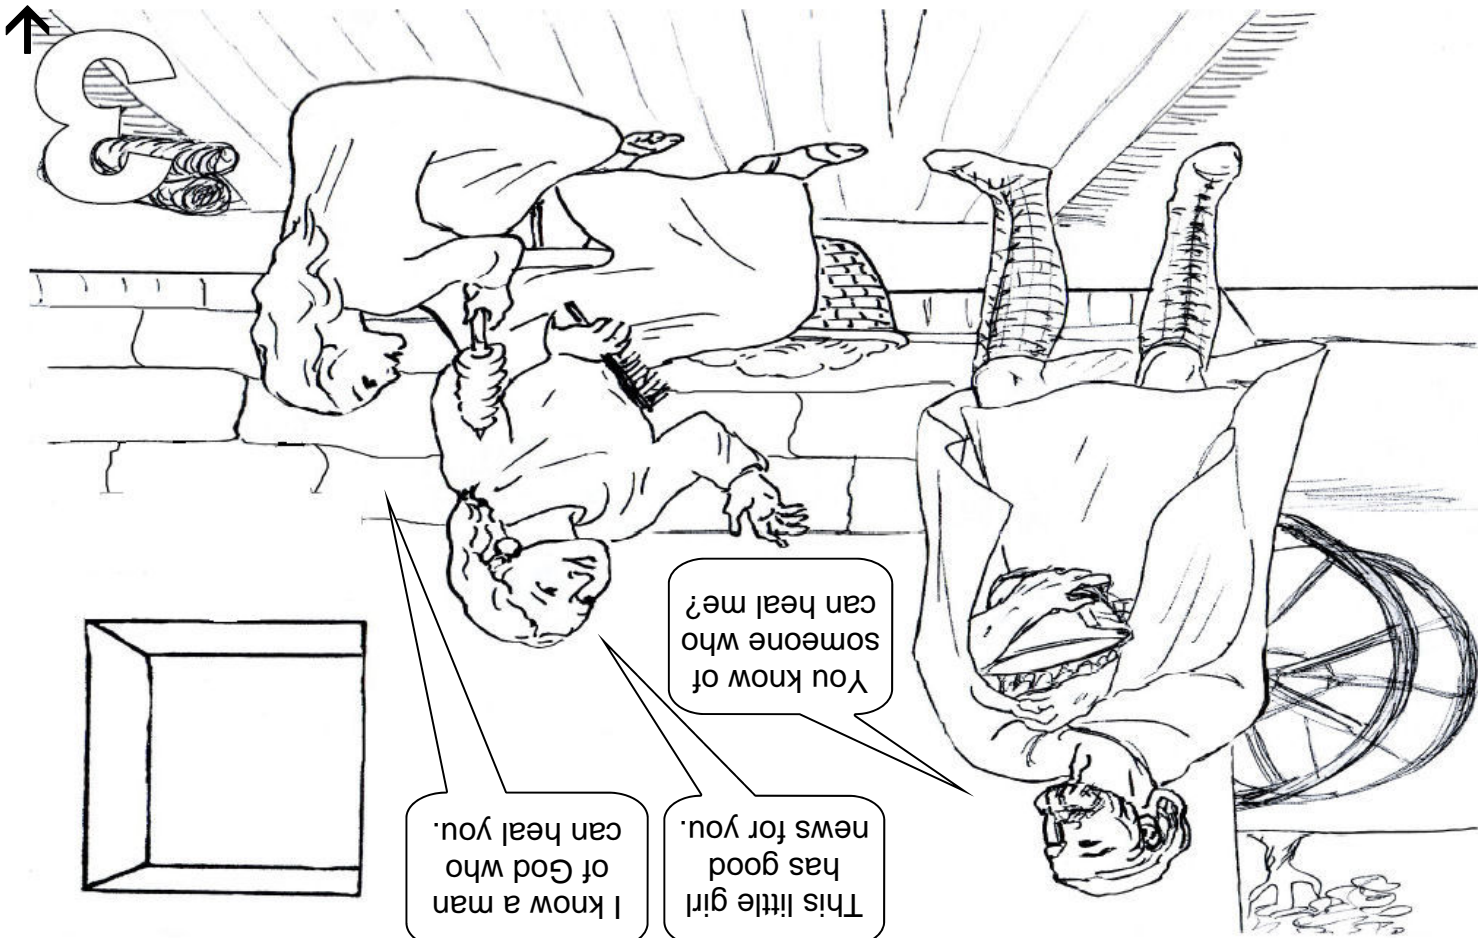

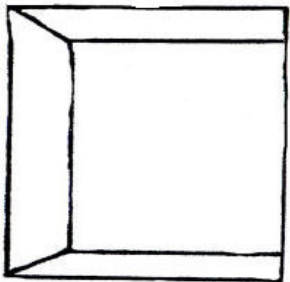

Jesus knows where you hurt. He loves you. He cares.

14

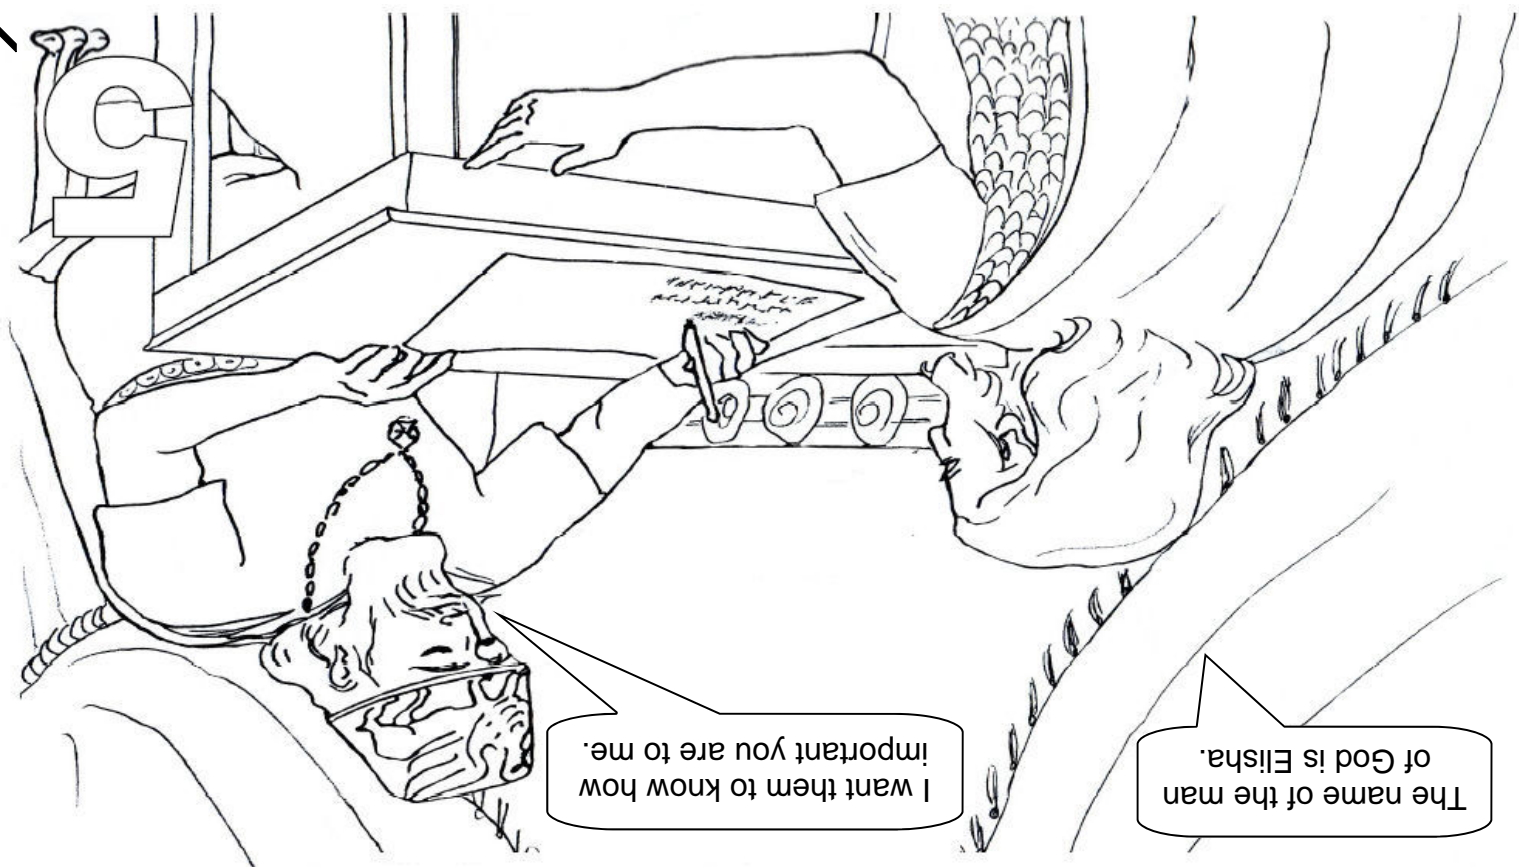

You know of someone who can heal me?

This little girl has good news for you.

I know a man of God who can heal you.

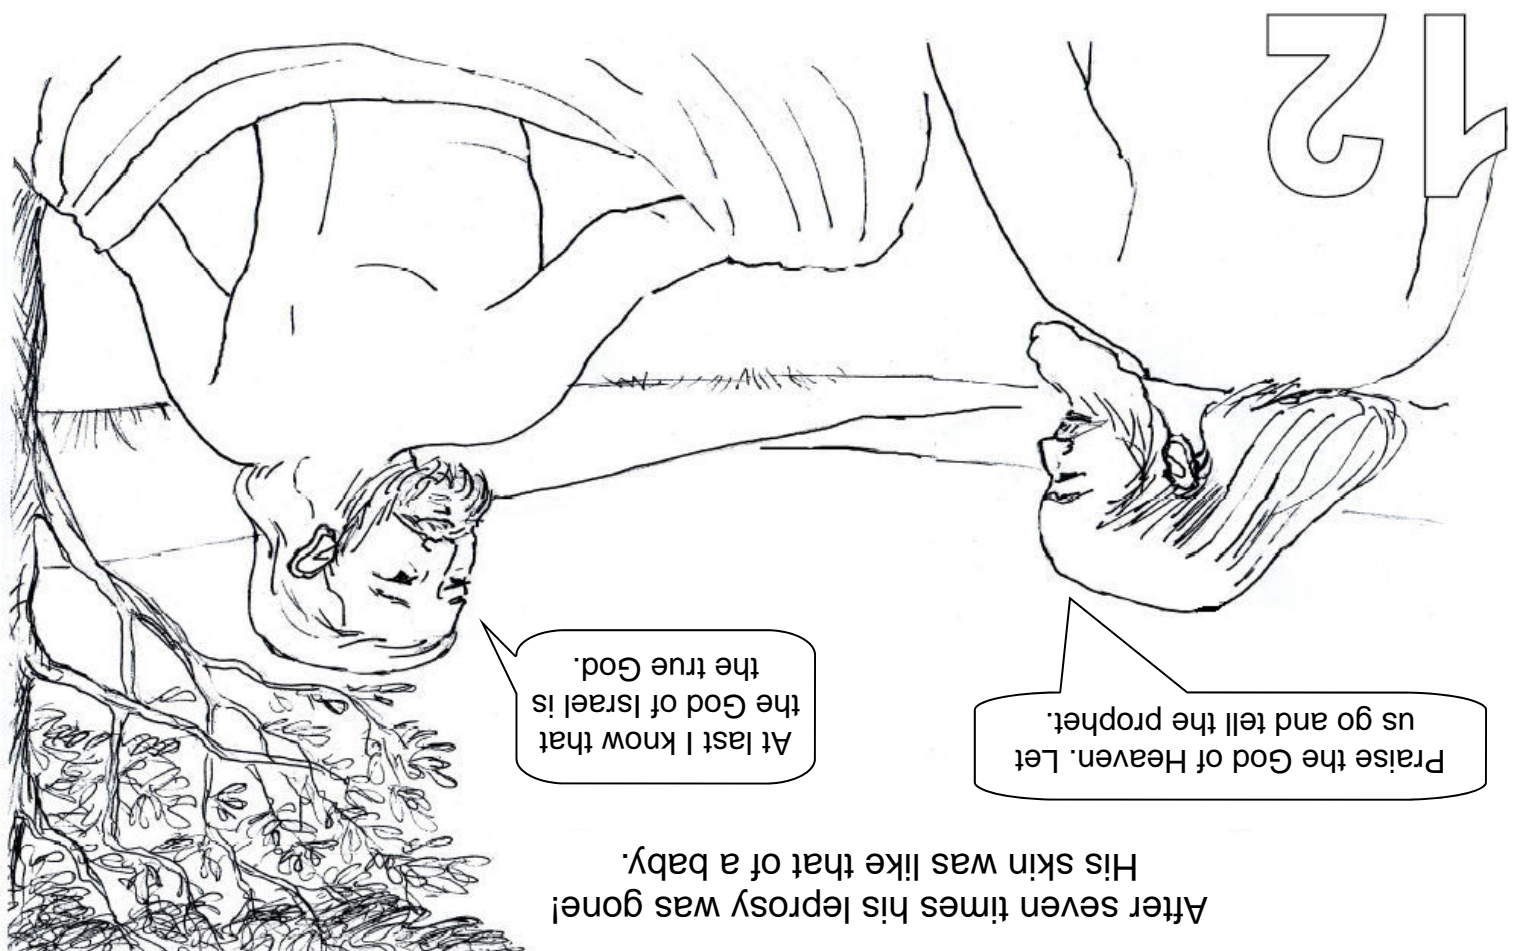

I want them to know how important you are to me.

The name of the man of God is Elisha.

The King of Syria told the King of Israel that he wanted Naaman healed of his leprosy. 2 Kings 5:6.

Praise the God of Heaven. Let us go and tell the prophet.

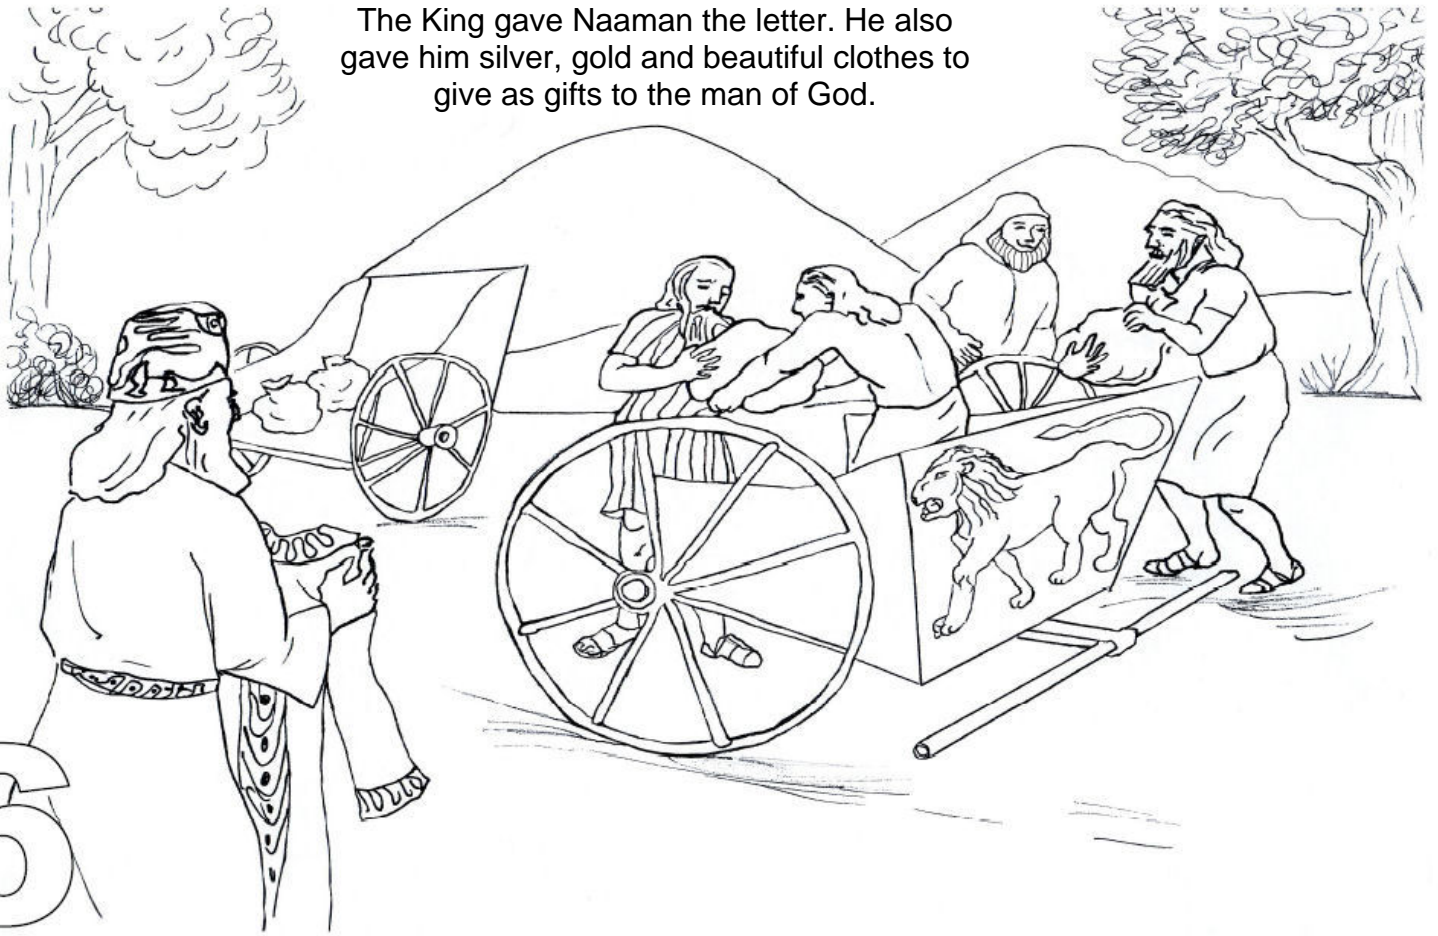

At last I know that the God of Israel is the true God.

After seven times his leprosy was gone! His skin was like that of a baby.

The King gave Naaman the letter. He also gave him silver, gold and beautiful clothes to give as gifts to the man of God.

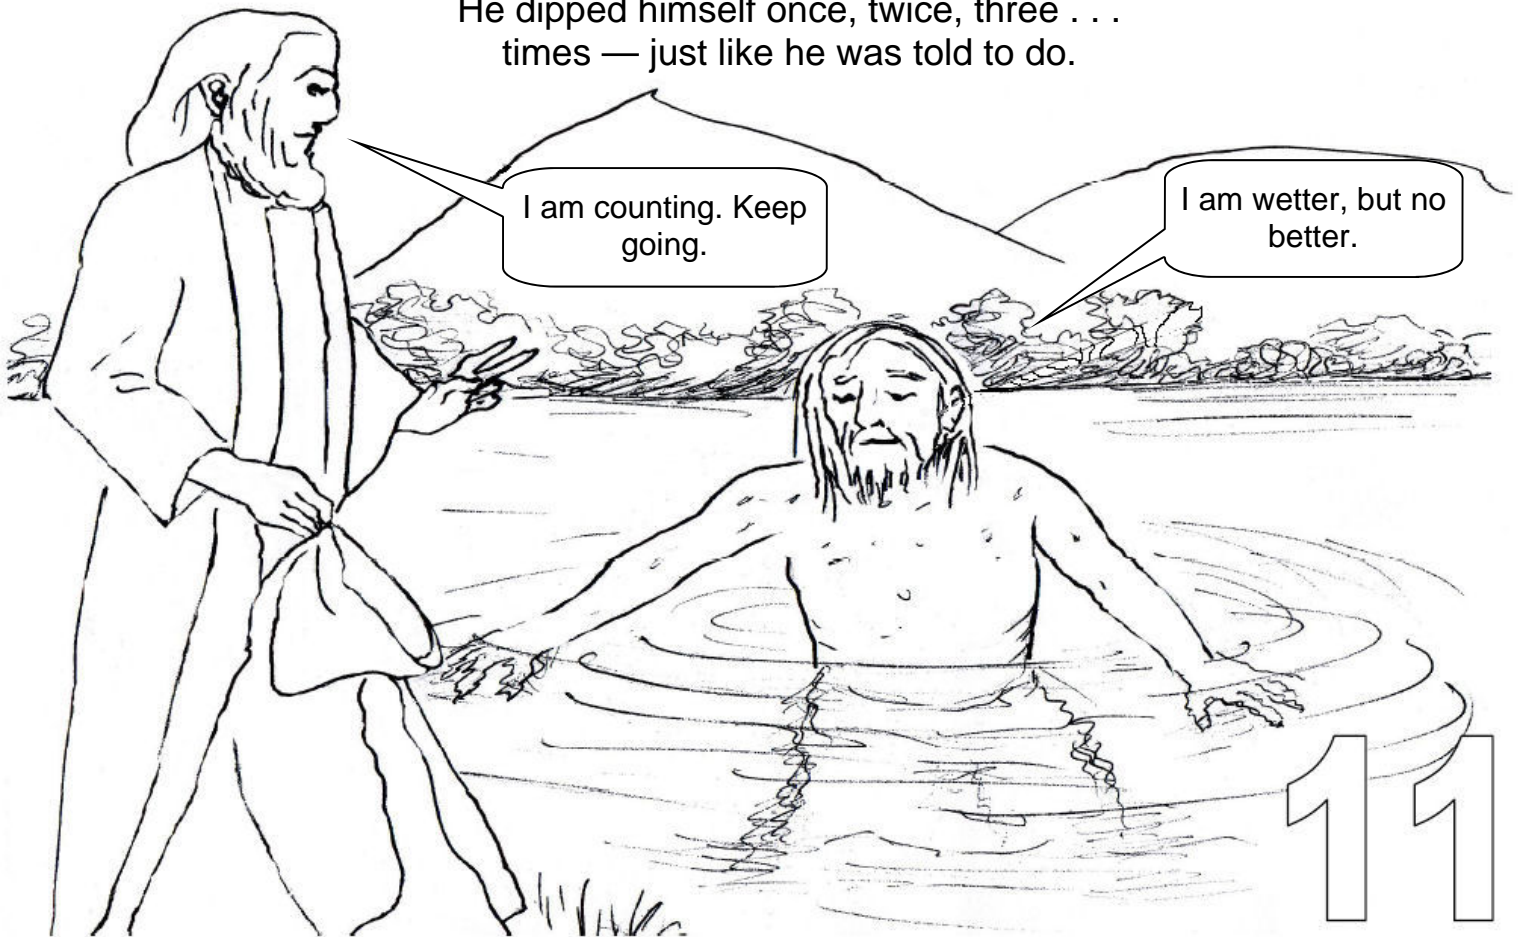

6

He dipped himself once, twice, three . . . times — just like he was told to do.

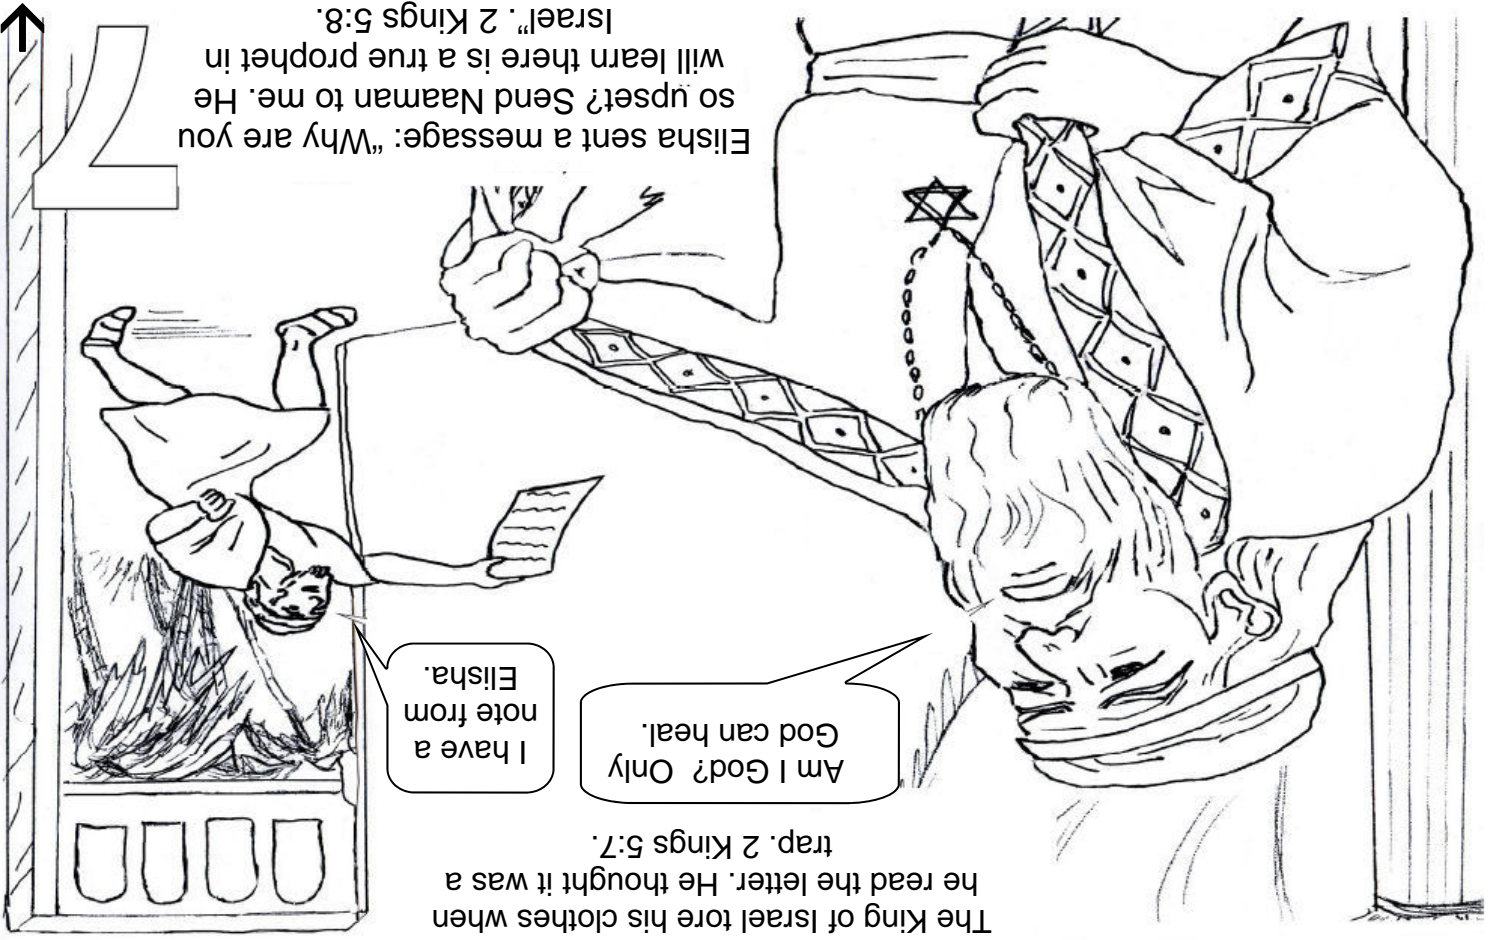

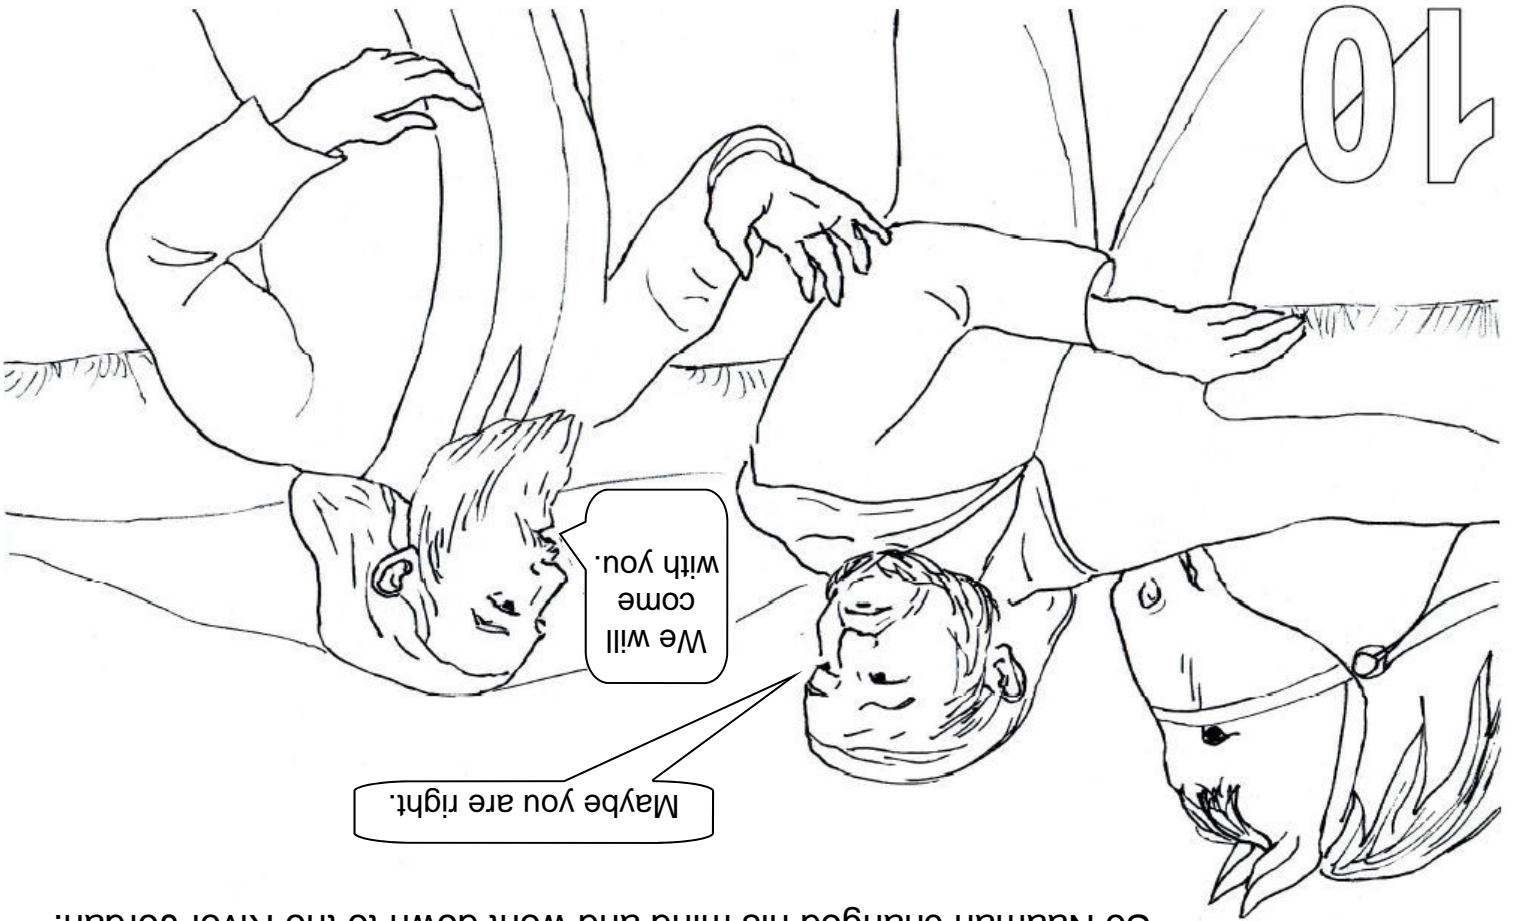

I am counting. Keep going.

I am wetter, but no better.

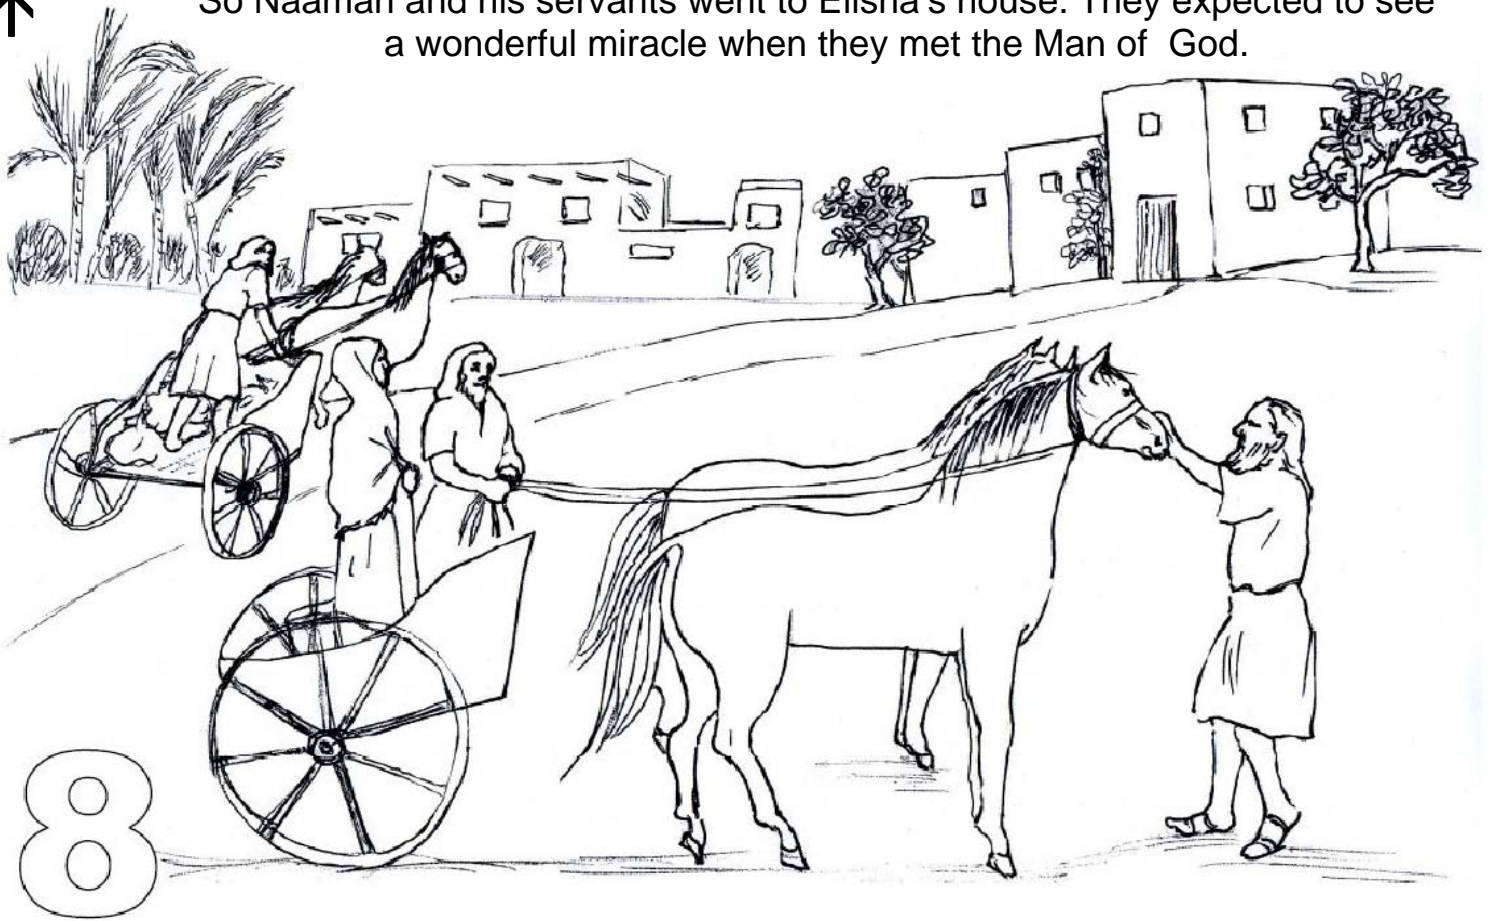

11

So Naaman changed his mind and went down to the River Jordan.

So Naaman and his servants went to Elisha's house. They expected to see a wonderful miracle when they met the Man of God.

When Naaman arrived at the door, Elisha sent his servant. The servant said, "Go and dip in the Jordan river seven times." Naaman was furious, and left in a rage. (2 Kings 5:10)

We have better rivers in Syria.

Please do what the man told you to do. Believe him. Go and wash in the Jordan.
